

WOOD'S CAMPAIGN MANAGER LOSES DELEGATE FIGHT

Dougherty Defeated
in Ohio by Only 307
Votes

JOHNSON LOSES NEW JERSEY

COLUMBUS, O., April 29.—
Mr. M. Dougherty, Columbus
senator Warren G. Harding's na-
tional campaign manager has
been defeated in Tuesday's primary
or delegate at large to the Re-
publican national committee ac-
cording to complete unofficial re-
turns from mail precincts in the
state. He has been defeated ac-
cording to the returns by William
Boyd, of Cleveland, a Wood
candidate, by 27 votes.

The complete revised vote for
delegates at large stands:—
W. T. Herrick (H.) 132,366
Frank B. Willis (H.) 123,130
John Calvin (H.) 120,106
William H. Boyd (W.) 107,682
Harry M. Dougherty (H.) 107,682
Edward C. Turner (W.) 106,124
The same returns give Senator
Harding a plurality of 16,303
over Major General Leonard
Wood for the Republican presi-
dential preference. The vote
stands:—
Senator Harding 125,561, Wood
88,258.

Senator Harding apparently
will have 39 of the 48 Ohio dele-
gates to the Chicago convention
pledged to him.

New Jersey Returns.—Ma-
jor General Leonard Wood was
leading Senator William W. John-
son of California by 1,220 votes
in the New Jersey presidential
reference primary in returns
from all but four districts tonight
he vote stands:—
Wood 52,597
Johnson 51,377
The vote for delegates with 17
districts missing is:—
Fleminghuysen 61,473
Edge 60,267
(Both pledged to the choice of
voters as expressed at the pri-
mary).

FOUR MILLIONS GIVEN BAPTISTS

NEW YORK, April 29.—An
outright gift of \$2,000,000 and
conditional pledges of an addi-
tional \$2,000,000 from the Laura
Spelman Rockefeller memorial
fund raised by the new world
government of Northern Baptists

ded to the personal contribution
announced last night from John
D. Rockefeller, Jr., the Baptists
have received gifts and pledges
for the last two days totalling \$6,000,000 from the Rockefeller family.

GIVEN 25 SECONDS SENTENCE

Chicago, April 29.—Twenty-
five seconds—one of the shortest
sentences on record in federal
courts—was imposed on Jesse
Nash, colored, charged with tam-
pering with the mails, by Judge
K. M. Landis today. Nash admit-
ting obtaining possession of letters
written by his wife to another
man. He exhibited the letters in
court, and after reading them
Judge Landis fixed the penalty.

EDUCATORS WILL ATTEND CONVENTION

Spokane, Wash., April 29.—
Prominent educators will attend
the Republican and Democratic
national conventions to present a
demand that a plank for national
department of education with
a secretary in the president's cabi-
net be included in their respec-
tive platforms, according to an an-
nouncement today by Josephine
Corliss Preston, president of the
National Education Association.

DELEGATES SPEND DAY DEBATING PROPOSED DEEP WATERWAY PLAN

Opponents Put Up Strong
Arguments Against Lock-
port-Utica Canal

SPRINGFIELD, Ill., April 29.—
The wisdom of constructing
the Illinois deep waterway be-
tween Lockport and Utica, for
which a \$20,000,000 bond issue
was voted in 1908, was debated
by the state's legislative legisla-
ture today. The constitutional dele-
gates, after hearing Director
Frank I. Bennett, of the depart-
ment of public works and build-
ings, explain the proposed canal,
which is to form a part of the
Great Lakes to the Gulf water-
way, debated the possibilities of
the plan.

Discussions of the canal plan
was brought out by consideration
in committee of the whole of the
report made by the public works
committee on canals and water-
ways. Delegate George C. Gale,
of Galesburg, expressed his dis-
approval of construction of the
canal with an amendment to the
committee's report, which would
provide that the \$20,000,000 bond
issue of 1908 would have to be
submitted again to a vote of the
people. If Delegate Gale's amend-
ment is incorporated as a part of
the constitutional delegates de-
clare it would be years before the
construction of the canal might
be undertaken and if the bond
issue suffered defeat at the elec-
tion, the canal might never be
built.

Former Governor Joseph Fifer
delegate from Bloomington, was
another opponent of the canal.
He declared that when the bond
issue was submitted to the people
it was understood that the canal
would be constructed to accom-
modate ocean going ships. Un-
der the present plan he declared
that it will be nothing more than
a barge canal. The opposition
to the omission from the draft of
the article of the new constitution
of a provision that the legislature
shall not be permitted to appro-
priate money for canals or rail-
roads continued at today's ses-
sion. No action was taken on
this subject, however.

The debate on the canal plan
continued thruout the session but
no final decision was reached and
the public works committee's re-
port will come up again probably
tomorrow.

DEFENSE WILL FINISH FOR STRAUSE TODAY

BLOOMINGTON, April 29.—
The evidence of the defense in
the trial of Edgar A. Strause for
the murder of Berne Meade, of
Peoria, will probably be finished
on Saturday. Then will come the
closing arguments by the attor-
neys of the prosecution and the
defense. There are eight of them
and one day is allotted to each at-
torney for his statement. There-
fore it will be at least another
week before the case will go to
the jury.

It has been on trial since early
in March.

The testimony today was by
physicians to whom the hypothet-
ical question of the defense was
propounded. Most of them
stated that a man wounded as
Meade was might easily have
walked forty feet before he fell.
That was the distance from
Meade's desk to the place where
his body was found. Strause
contends that he shot Meade at
his desk just as Meade was reach-
ing into the drawer for a gun,
and that the wounded man
walked along the wall after he
was shot to the cage, where he
fell. The state contends that
Strause followed Meade to the
cage and shot him there.

REPRIEVE GRANTED TO FOUR MEN

OSSINING, N. Y., April 29.—
Four men convicted of the mur-
der of a Bronx subway agent who
were sentenced to die in the elec-
tric chair at Sing Sing prison late
today were granted reprieve by
Governor Smith. Four hours be-
fore the execution was to have
taken place. The four men are
Joseph Milano, James Cassidy,
Joseph Usefow and Charles Mc-
Laughlin. They were convicted
of the murder of Otto Flato, who
was shot to death while attempt-
ing to prevent his assailants from
robbing a subway station.

Milano is alleged to have made
a confession to Western Laves
this morning in which asserted
that he alone was responsible for
the death of Flato.

PARALYZED YOUTH WINS PRIZE

Chicago, April 29.—Jimmy
O'Malley, aged 16, able to move
only two fingers and his head be-
cause of paralysis, today received
the war department's silver cup
for writing the best essay on
"what the army has to offer a
young man".

The cup, together with another
from a local bank, a gold watch
from the Port Sheridan "Recall"
and \$100 from the Knights of
Columbus was presented by Col.
Lambert, a member of Major Gen-
eral Leonard Wood's staff.

nominated consul general at
Cairo, Egypt.

FED TROOPS AND REVOLUTIONISTS IN FIRST CLASH

Mix in Mountains Be-
tween Chihuahua
and Sonora

ONE ON EACH SIDE KILLED

BULLETIN
LAREDO, Texas, April 29.—
Cosme Hinojosa, until recently
postmaster general in the Car-
ranza government of Mexico is
being held in custody of the
sheriff here tonight following his
arrest today, charged with theft
of the equivalent of \$50,000 in
Mexican government funds. The
funds were found in Hinojosa's
personal effects at a local hotel.

BULLETIN
EL PASO, Texas, April 29.—
General Pablo Quiroga, at the
head of 3,000 Carranza troops
from Michoacan is within three
miles of Chihuahua City, accord-
ing to official telegrams received
here tonight. Rebel troops were
rapidly withdrawing from the
outskirts of the city on the north,
the message added with the in-
surrect troops outnumbered,
military men in Juarez predicted
that the revolt would be quickly
crushed.

AGUA, PRIETA, Sonora, Mex.,
April 29.—Carranza troops and
revolutionists had their first
clash in the mountains dividing
the states of Chihuahua and So-
nora today. It was announced
that military headquarters here to-
night that advanced detachments
of the two forces clashed near
Pulpito Pass.

The Sonora troops captured 11
Carranza soldiers it was stated.
One man on each side was re-
ported killed.

Pulpito Pass is the opening
thru the mountains which it was
expected Carranza troops being
concentrated on the Chihuahua
side would use in their efforts
to enter and subdue Sonora. The
pass is about 110 miles southeast
of here.

The Sonora troops said to
number four hundred were led
by General J. M. Pina, who re-
ported the prisoners offered to
enlist in the Sonora army and
told of many desertions occur-
ring daily from the Carranza
ranks.

The fight was said to have oc-
curred at 4 p. m., today. Besides
the prisoners a small amount of
ammunition and supplies were
captured.

No reports have been received
here officially concerning the
military situation at Chihuahua
City since it was announced that
federal troops there had revolted.
It was announced by General P.
Elias Calles, commander of the
federal forces in the northwest. Gen-
eral Calles reiterated his state-
ment that approximately four
thousand troops at Chihuahua
City, Parral and Jimenez had
joined the revolution.

Report Skirmish

Juarez, April 29.—General J.
G. Escobar, commander of the
Juarez district tonight announce-
d that he had received a tele-
gram from Colonel Eduardo Por-
cayo, commander of the troops
at Casas Grandes reporting a
skirmish between federal out-
posts and Sonora troops in Pul-
pito Pass. The skirmish was in-
significant and of no importance,
was the only statement relative
to the fight General Escobar
would make.

RAILROAD OFFICIALS CONFERENCE IN CHICAGO

Chicago, April 29.—To make
claims for adjustment in valua-
tions placed on railroad prop-
erties, 200 railroad officials from
various parts of the country gath-
ered today for a two day confer-
ence with President Wilson's
committee on federal valuation
of railroads. The railroad men
will report to the committee on
valued inquiries in the recent
valuation of the railroads by the
interstate commerce commission.

CHARGED WITH FRAUD

Chicago, April 29.—H. W. Carr
president of the national mem-
orial art company was arrested to-
day, charged with having obtain-
ed money fraudulently by failing
to fulfill contracts to furnish
monuments and headstones over
graves. It was said the contracts
might total \$100,000.

It was charged he obtained
sums varying from \$200 up to
relatives of persons who had died.
Ca denied the charges.

NOMINATED JUDGE OF FIFTH JUDICIAL DISTRICT

Washington, April 29.—Alex-
ander C. King of Atlanta, Ga.,
senior circuit general of the United
States was nominated today
by President Wilson to be judge
of the fifth judicial circuit. He
will succeed the late Judge Wil-
liam T. Newman.

SUFFRAGE CAMPAIGN COSTLY

Washington, April 29.—The
campaign for ratification of the
federal suffrage amendment has
cost the national woman's party
\$93,599.75, it was announced at
headquarters here today. Most
of the contributions came in
small amounts from individual
women.

Condensed Telegraphic News

(By The Associated Press)

NEW YORK, April 29.—Dead-
locked the sub-committee of min-
ers and operators seeking to ne-
gotiate a working agreement for
the Anthracite coal field announ-
ced late today it had accepted
an invitation from Secretary
of Labor Wilson to hold its next
meeting at his office in Washing-
ton to Saturday.

PAW PAW, Mich., April 29.—
At 11 o'clock tonight the jury de-
liberating on the innocence or
guilt of Mrs. Sarah Tabor, charged
with manslaughter, had reach-
ed no decision. No word had
come from the jury room since
early in the evening when the ju-
rors asked that their dinner be
sent in. The court announced
that he would receive a verdict
if one was reached up to mid-
night.

SANBORN, Minn., April 29.—
Five persons were killed and 12
injured when passenger trains
number 516 and number 517 on
the Chicago and Northwestern
railroad met in a head-on collision
near here early today. The
accident is said to have been
caused by mis-interpretation of
orders, whereby the trains were
supposed to pass at Sanborn in-
stead of Lamberton. Four cars
and both engines were wrecked.

CHAMBER OF COMMERCE OF U. S. CLOSES SESSIONS AT ATLANTIC CITY, N. J.

Go On Record as Favoring
"Constructive American-
ism" and Peace Treaty

ATLANTIC CITY, N. J., April
29.—The chamber of commerce
of the United States at the clos-
ing session of its eighth annual
convention tonight went on re-
cord in favor of a "constructive
Americanism," urged that a
treaty of peace "should be placed
in effect without further delay"
and adopted a resolution oppos-
ing a cash bonus for soldiers but
favoring immediate provision for
disabled or sick soldiers or their
dependents.

"The country's problem can be
largely solved thru increased
production thereby restoring
proper relations between supply
and demand," a resolution said.
"In aid of increased production
and to enhance its benefit econ-
omy must become a cardinal
principle with all of our public
authorities, federal, state and lo-
cal and must be practiced by
every citizen."

"Constructive Americanism,"
it said would contribute toward
our present progress. It empha-
sized American ideals of liberty,
representative government, en-
lightened rule of the majority
and supremacy of the law.
"Of government and business,"
it added, "it is essential that our
government should scrupulously
refrain from entering any of the
fields of transportation, com-
munication, industry and com-
merce or any phase of business
which it can be successfully un-
dertaken and conducted by pri-
vate enterprise."

DEWEY SIEBER WEDS PEORIA YOUNG WOMAN

Will Be at Home in Jacksonville
After Brief Wedding Journey

Local announcement was made
yesterday of the marriage of
Dewey L. Sieber and Miss Ruth
Songer, of Peoria. The ceremony
was performed at the parsonage
of the Congregational church in
Peoria last Monday.

The bride is the daughter of
Mr. and Mrs. C. H. Songer, whose
farm home is located not far
from Peoria. She graduated
from the Peoria high school and
is well known in her home com-
munity.

Mrs. Sieber is a member of the
Congregational church and has
taken an active part in several de-
partments of church work.
Mr. Sieber is a son of Mr. and
Mrs. G. A. Sieber, of this city.
He was a student at the Jackson-
ville high school and later took
a course in training at the Michi-
gan state auto school at Detroit.
Mr. Sieber is now associated with
his father in the electrical busi-
ness and is a young man very
highly esteemed by all who know
him.

Mr. and Mrs. Sieber are to be
at home in Jacksonville after a
brief wedding journey.

URGES TAPPING OF FOOD RESERVES IN THE ARCTIC

New York, April 29.—Vilhjalmur Stefansson, Arctic explorer,
arrived here today on the steamer
St. Paul. While in England he
urged a plan to tap the Arctic food
reserves to relieve the world
shortage and endeavored to organ-
ize an expedition to further that
project. He said palatable food
in limited quantities was available
in the Arctic.

NEGRO SEEKS GOVERNORSHIP

Little Rock, Ark., April 29.—
J. H. Blunt, negro, nominated for
governor at a convention of
negro Republicans who left the
regular Republican state conven-
tion yesterday, today paid the
necessary fee to get his name on
the ballots as a Republican candi-
date. Blunt is the first negro in
the state in the history to claim
himself as a candidate for a
state office.

WASHINGTON, April 29.—
John T. McGraw, Democratic na-
tional committeeman from West
Virginia, died suddenly tonight
on a train near Baltimore while
enroute from New York to his
home in Grafton, West Virginia.
Deah was due to heart disease.

LOS ANGELES, Cal., April 29.—
The Steamer Senator, bringing 86
refugees from Mazatlan, Mexico,
docked at San Pedro today, 61
of the passengers coming ashore.
About half of the refugees were
Americans. They said there had
been no fighting at Mazatlan up
to the time they left, but Sonora
troops were reported within 30
miles of the city. The Carranza
garrison, they said, was preparing
to resist an attack.

WASHINGTON, April 29.—Presi-
dent Wilson changed his motor
custom today by taking a front
seat in an open car and sitting
with the driver during a three
hour trip over Maryland high-
ways. Mrs. Wilson and several
members of her family accompa-
nied the president.

WASHINGTON, April 29.—The
legation guard of merchant mar-
ines is being gradually with-
drawn from Guatemala City.
These advances received here to-
day, are taken to indicate restor-
ation of order in the capital.

PALMER BEFORE HOUSE COMMITTEE PROBING HIGH SUGAR PRICES

Defends His Action in Ac-
cepting 17 and 18 cents for
Louisiana Crop

WASHINGTON, April 29.—De-
fending his own action in accept-
ing 17 and 18 cents as fair prices
for Louisiana sugar, Attorney
General Palmer testified today
before a house investigating com-
mittee that President Wilson
would have bought the entire
Cuban crop last year at a low
figure if congress had not ig-
nored his request for necessary
legislation.

Asserting that it was not prop-
er for congress to attempt to
place responsibility on the presi-
dent, Mr. Palmer said, "passing
the buck" was a familiar pastime
in Washington and one not often
understood by the public.

Mr. Palmer said in approving
the Louisiana price he exercised
dawnfully discretion and had
no apology, contending that mil-
lions were saved the American
public. The exercise of such law-
ful discretion was vested in the
department by congress in amend-
ing the Lever food control law to
punish profiteering. Mr. Palmer
asserted, explaining that before
congress acted he had informed
him of his plan for announcing fair
prices, of all necessities, which if
charged would result in charges
and prosecutions for profiteer-
ing.

Several weeks before congress
enacted this legislation the attor-
ney general declared the price
of the Lever act for a definite
period so as not to make its life
hinge on the proclamation of
peace.

The legislation, he said, was
needed so that the government
control the distribution of sugar.
"If I am guilty in Louisiana,
then I am guilty elsewhere in re-
spect to all necessities," he de-
clared. Mr. Palmer said there is
plenty of room to find me guilty
from the records of the depart-
ment."

BRYAN REVIEWS RECENT PRIMARIES

PITTSBURGH, Pa., April 29.—
William Jennings Bryan in a
statement issued here tonight de-
clared the recent primaries were
a warning that Democratic sen-
ators should lose no time in vot-
ing for the ratification of the
peace treaty.

"Delay in ratification may de-
luge the world in blood and flood
our own country with war," said
Mr. Bryan. "The recent primar-
ies should be a warning. In
Georgia, less than one third of
the Democrats stood for the
treaty without reservations. In
Nebraska, Senator Hitchcock's
vote would not have been worth
counting had he been compelled
to rely on those who endorsed
his attitude on the treaty."

"My fight was made on a plat-
form declaring for ratification
with reservations already agreed
upon by a large majority of the
senate. Senator Johnson's vote
is largely a protest against the
treaty and against the blunder-
ing of the senators who talk for
the treaty, but quarrel over re-
servations."

"A campaign in favor of ratifi-
cation without reservations
would result in overwhelming de-
feat. If our party refuses to aid
ratification now, must share
even if it does not fully assume
responsibility for what follows."

DIETING EXPERIMENT SUCCESSFUL SO FAR

Chicago, April 29.—Dr. John
Dill Robertson's class for fat wo-
men lost an average of 3.9 pounds
in the first week of their 60 day
experiment in reduction.
The average weight of the class
of 24 women had dropped from
201.65 to 197.76 today. The
Mrs. Nellie Leonard, who last
week weighed the scales at 323
pounds, led all the rest with a loss
of an even eight pounds in sev-
en days.

LLOYD GEORGE REVIEWS WORK OF SAN REMO PARLEY

Declares it Greatest
Conference Since
Armistice

PREMIER VERY OPTIMISTIC

LONDON, April 29.—(By The
Associated Press)—"The gaping
wounds of Europe are gradually
healing and the San Remo con-
ference marks a distinct stage in
its convalescence," said Lloyd
George in closing his speech in
the house of commons today de-
tailing the results of what he
described as "the most remark-
able conference in every respect
held since the armistice."

The premier's statement was
most optimistic, setting forth the
claim that the conference had re-
moved all misunderstandings be-
tween France and England and
that the allies were in complete
agreement.

Mr. Lloyd George further in-
dicated that if Germany brought
definite proposals to the Spa con-
ference concerning the amount of
indemnity, she was able and willing
to pay she would be treated
with consideration.

The premier dealt mainly with
Germany. He referred to the
German government's difficulty
in getting its decrees obeyed and
emphasized that the Germans
were a broken-backed people
whose actions were convulsive.
He expressed the conviction
that the people of neither Ger-
many nor France wanted militar-
ism. Dealing with the Turkish
treaty, he declared that neither
Great Britain, France nor Italy
was able to undertake the man-
date for Armenia because that
would have involved heavy mili-
tary resources for a great con-
quest if the Armenians were to
have anything more than a "pa-
per Armenia."

He confirmed that the confer-
ence had re-affirmed its decision
to open trade relations with Rus-
sia.

The United states found it im-
possible to undertake the respon-
sibilities of Armenia the whole
position the premier said would
require reconsideration and En-
gland would have to take a share
in helping the Armenians to
equip themselves for their diffi-
cult and perilous task.

Replying to Lord Robert Cecil's
contention that the league of na-
tions should speedily supersede
the supreme council, Mr. Lloyd
George argued that the league
had not materialized sufficiently
and for the present the whole fa-
brie of Europe rested upon the
three great and solid powers in
the west. To transfer the re-
sponsibility now to anybody lack-
ing the necessary force or organi-
zation would be disastrous for
the peace of Europe.

AMERICAN PAINTERS AMONG TOPNOTCHERS

PITTSBURGH, Pa., April 29.—
American painters ranked high in
the international art exhibition,
which was formally opened in the
galleries of the Carnegie insti-
tute here today, the first since
the Lever act for a definite
period so as not to make its life
hinge on the proclamation of
peace.

needed so that the government
control the distribution of sugar.

clared. Mr. Palmer said there is

MANY PUBLISHERS GIVE VIEWS ON HIGH PRICE OF PRINT PAPER

Blame Small Manufacturers,
Brokers and Jobbers for
Shortage and Price

WASHINGTON, April 29.—
Blame for the high price of print
paper was placed primarily upon
small manufacturers, brokers and
jobbers, altho publishers them-
selves were held partly to blame,
by witnesses today before a senate
investigating commission. Cur-
tailed consumption in order to
break the spot market pending in-
creased production was generally
advocated as a remedy

Perhaps Democratic women of Morgan county are not much interested in politics. At any rate a recent meeting of the county Democratic convention failed to name any women as delegates to the state convention.
Europe is enormously increasing its sales to the United States and in due course there will have to be a shaping of our tariff laws to meet a tremendous competition from Europe and from the Orient.

HONORING THE SOLDIER DEAD
The Chicago Tribune is fostering a worth while movement in the Memorial day fund thru which it is proposed to place flowers on the graves of American soldiers in France May 30. Certainly the observance of Decoration Day would not be complete if the patriotic people of the U. S. confined their loving activities to strewing flowers only upon the graves of the soldier dead in the home land. The memories of all America's heroic dead must be honored.

MOVING DAY TERRORS PASS
May 1, generally accepted as moving day, will not have much observance this year in cities or in towns. Few new apartment buildings or private residences have been erected for rental purposes and the tenant who has fairly comfortable quarters is congratulating himself instead of looking about for a place more conveniently located or with better improvements. High rentals and the scarcity of homes is at least having the effect of making tenants better satisfied with their present home surroundings.

ONE WAY TO ADVERTISE A CITY
Pupils in certain classes in the high school of Buffalo, N. Y., are writing letters to newspapers in all parts of the U. S. telling of the attractions to be found in Buffalo. The purpose of these letters is to give the young students a certain amount of training to inspire them with civic pride and then to do some effective advertising for "the Queen City of the Lakes."
Certainly it is an excellent idea and whether or not Buffalo

BUILDING SWITCH TRACK FOR CITY
Grading is Now Being Done by Contractor Walbridge.

Work is in progress for the construction of the switch track which is to run from the Chicago & Alton to the proposed new city power plant. John T. Walbridge, who has the contract, has a force of men engaged in making the fill. Work will progress more rapidly when the railroad begins sending in chders and the supplies which are to be used in track construction. The weather has also interfered to some extent with the work but Mr. Walbridge is expecting to push the job forward toward comparatively early completion.

By building this track first it will be a material aid in the construction of the filtration and power plants, as all material and equipment to be used can be unloaded on the track instead of being put into a railroad yard and transferred by wagon to the site of the plants.

TRINITY BENEFIT CONCERT
The coming benefit concert given for the building fund for Trinity church, promises to be the musical event of the season. The College of Music and Conservatory faculties are contributing toward the program and other musical talent of the city are co-operating with them in making this concert an assured success.

The concert will be held in the Music Hall of the Woman's College, on Wednesday evening, May 5th, at 8 o'clock.

Do not miss this unusual musical treat. Tickets on sale Monday and Tuesday afternoons at Brown's Music Store. Price 50c.

Chevrolet Facts

The present-day value of an automobile lies in its degree of utility. The more it serves the more it saves. And in measuring the value of the Chevrolet by these standards, its real worth is revealed.

Like a true friend, the Chevrolet will wear well. It will not fail you in time of need. It will not be a burden to keep. And the closer your acquaintance grows the greater will be the charm in its possession.

The Chevrolet represents an unusual value. This you will appreciate at first glance. But to know the full extent of its worth, you must know more of the efficiency of its service—its capabilities for practical time and labor-saving utility.

The popularity that Chevrolet cars have attained is a reflection of the sound judgment of the thousands of discriminating purchasers who were convinced that the vast resources and sound manufacturing policies of the Chevrolet Motor Company were adequate to insure the production of thoroughly worthwhile products.

And the remarkable records that Chevrolet cars have made in the hands of these owners is conclusive proof that Chevrolet quality has an unquestionable right to the recognition and endorsement of all who believe in sane spending and sound values.

WHY CHIROPRACTIC?

Peculiar to Women

Many women continually bear the burden of distress and pain with fortitude just because they are women. Few of them realize that their ailments are due primarily to disturbed nerve function that can easily be corrected so that they may be free of the nerve-racking, system-wrecking spells that make life miserable for them periodically.

Most women can be strong and healthy, happy and vigorous because their highly nervous and complex organism readily responds to Chiropractic Adjustments that offer a safe and effective means of restoring normal function.

Chiropractic (Ki-ro-prak-tic) corrects the cause by adjusting the spine and relieving the nerves of the bone pressure, which disturbs the nerve function. With the pressure removed normal function is restored and Nature builds up and strengthens the system. Acute and chronic cases are handled by Chiropractic in Nature's own way. Operations, drugs and instruments are needless in

MOON

MODERN MOTOR CARS

The timeliness of the new Moon Six-48, apparent at a glance, is proved by an analysis of its design and construction.

Every line, from the sharp angles of the deep nickel-silver radiator and the octagon lamps to the tilt of the extra tire carrier, conforms to the symmetry of its straight lines and squares.

A four-inch longer wheelbase emphasizes

the characteristic Moon balance and low center of gravity — features that insure smooth riding.

It is powered with a new high-speed motor of matchless flexibility. Full cord tire equipment cushions its pathway.

The model is made in touring, sport roadster, types—each selling at a sedan and coupe body price that's an appeal to your reason.

George Haymaker has been visiting relatives in Bushnell the last week.

The Fathers and Sons banquet held at the Christian church Monday night was in all respects a success. One hundred and sixteen men and boys were served by the ladies of the C. W. B. M. C. male quartette from the Y. M. C. A. in Jacksonville furnished music while at the table. Then the company assembled upstairs and the following program was given:

Music—Male Quartette.
Lecture—"Sunny Jim" Schofield.

Vocal Solo—Isabelle Fox.
Music—Male Quartette.

Talk—Mr. Findley of the Y. M. C. A.

Music—Male Quartette.
Dismissed by Brother Cantrill.

Mr. and Mrs. Harry Onken returned home the latter part of last week from Mississippi where they have been visiting Mrs. Onken's brother, Mr. Butcher.

Mrs. R. D. Omer and daughter Aileen were visitors in Quincy last Saturday.

Mrs. Roy Craven, Mrs. Herman Merriman and Mrs. Wilson of Beardstown visited at the home of Mrs. Robert Bridgman last Friday.

Mrs. George Cain of Jacksonville spent the week-end with her parents, Dr. and Mrs. Roberts. Johanna Onken of Beardstown visited with home folks over Saturday and Sunday.

Carl Poutz has returned home from Flint, Mich.

Bernard Allen of Versailles spent Sunday with home folks.

Mrs. C. E. Danford returned home Friday night from Missouri where she was called by the illness of her father. She left him improved.

Werner Onken of Quincy spent a few days with home folks last week.

Mrs. Young of Pekin is visiting her sister, Mrs. Frank Burnham.

Elmer Johnson and wife of Springfield visited his father, Jason Johnson last Sunday.

Mr. and Mrs. C. F. Duckett went to Danville Monday night to drive a car home.

Mrs. John Coultas of Bluffs visited her mother, Mrs. Dickens last Sunday.

Remember the concert at the Amuse theater Friday night given by the Boys and Girls Glee club of the Conservatory of the Illinois college. Chapin is quite fortunate in having such an entertainment at the small sum of 35 cents admission.

SUIT IS BROUGHT AGAINST M. W. A.

Executor of Quinn Estate Seeks to Enforce Collection of Insurance Policy.

Edward P. Quinn thru Wilson & Butler as attorneys has brought a suit in assumpsit against the Modern Woodmen of America. The action was brought by Mr. Quinn as executor of the estate of his brother, John Quinn, claiming the failure of the organization to pay an insurance policy of \$1,000.

The deceased was at one time a member of Camp No. 912 M. W. A. Jacksonville. He allowed his membership to lapse for a time and was subsequently reinstated. It is maintained by officials of the M. W. A. that the deceased was ill at the time he became a member and that he was never rightfully entitled to membership consideration.

FORD CARS COLLIDE.

Yesterday afternoon about 5 o'clock, two Ford delivery trucks collided at the southeast corner of the square. Fortunately no damage was done to either car.

This is a bad corner and an automobile accident there is not to be unexpected. Drivers coming up Mavvister street cannot see or be seen by drivers on Court street and on the square, not only is the view poor, but in the afternoon when the sun is shining people crossing the corner and drivers coming up Court street have the sun directly in their eyes. As the afternoons grow longer and the sun brighter north and east bound drivers will have to be careful at this corner if accidents are to be avoided.

JOHN CARL SAILS FOR U. S.

A cablegram received yesterday from John Carl, who has been visiting his old home in Greece was to the effect that he was sailing for home. His friends here expect him to arrive in the course of the next three weeks.

RAID PAWN SHOP

Detroit, Mich., April 29.—Two armed men this morning entered a downtown pawn shop, held up the clerk and rifled the safe of diamond rings, said to be worth \$18,000. The bandits escaped.

Deaths

Nesmith

Mrs. Katherine Mary Nesmith, 322 East College avenue, died Thursday morning at Passavant hospital, following a serious operation.

Mrs. Nesmith was born in the southern part of the state, having lived the greater part of her life in Jacksonville.

McIntyre

Funeral services for Mrs. Eleanor McIntyre were held from Brooklyn church at 10:30 o'clock Thursday morning in charge of the Rev. G. W. Randle.

Music was furnished by Miss Cora Graham, Mrs. Mae Hitt, T. H. Rapp and W. W. Gillham. The flowers were cared for by Agnes Crowell, Rebecca Wingler and Pearl Frost.

Burial was in Diamond Grove cemetery the bearers being: A. C. Means, John Hopper, J. D. Adams, Charles Sheppard, Thomas B. Reeve and George Cockin.

Nunes

Funeral services for Mrs. Chester Nunes were held from the residence of John Nunes 415 East College avenue at 2 o'clock Thursday afternoon in charge of the Rev. Walter E. Sponts.

Mrs. C. C. Pires sang with Mrs. Grace Ferreirs as accompanist. The flowers were cared for by Edna Vasconcellos, Blanche Ellis and Mrs. Hattie Sorensen.

Burial was in Jacksonville cemetery the bearers being: A. C. De Frates, Lloyd Vasconcellos, George Wintler, John Nunes and F. C. Thompson.

Rawlings

James Rawlings, son of Henry and Katherine Rawlings, died at his home 322 West College avenue Thursday evening at 9:30 o'clock.

He was born near Durbin, April 29th, 1870, being 50 years the day of his death.

He leaves to mourn his death, a wife and four children, Ruby, Lena, Wayne and Stanley all at home. One son having preceded him in death.

He also leaves the following brothers and sisters, Mrs. Sarah Oxley, Durbin; David Rawlings, Durbin. Four sisters preceded him in death, Mrs. Isabelle Van Stone and Mrs. Mary Jones, Mrs. Kate Reese, Miss Anne Rawlings, Durbin.

No arrangements have been made for the funeral.

THE FORDSON TRACTOR AND THE MOVIES

C. N. Priest, the Ford man, entertained everybody who is interested in tractors and could get to the Opera house yesterday afternoon or evening.

There was a good-sized crowd at both shows. The show opened with a two reel comedy. Then A. E. Hildebrand of Bloomington made an interesting talk which was followed by a reel showing the manufacture and assembly of the Fordson tractor.

A number of representatives of farm machine industries were in the city to attend the show, among them being A. M. Ray of the United States Rubber company, A. B. McLain of the McLain Disc and Harrow company, Mr. Maupin of the Oliver Plow Works, St. Louis, Mr. Humphrey of the American Seeding Machine company and Mr. Hall of Springfield. Several of these men spoke on the relation of the tractor to other farm machinery.

Certainly everybody who saw the shows has a better idea of the usefulness of the tractor and the adaptability of the Fordson.

FRANKLIN

Mr. and Mrs. Albert Alderson and children Mrs. P. A. Sturgis and Miss Aileen Austin motored to Jacksonville Sunday and spent the day with W. T. Spires and family.

Mrs. George Wyatt and little daughters of Springfield are visiting Mr. and Mrs. G. H. Wyatt.

Elgin Olinger who has been in Chicago all winter is now at home with his parents, Charles Olinger and wife.

Mrs. F. H. Metcalf returned home Monday from Jacksonville where she has been since the death of her mother, Mrs. S. H. Larimore.

Albert Alderson and wife and George Jolly and wife were Sunday guests at the home of Mr. and Mrs. Andie Beerup.

Fouch

The funeral of Raymond Fouch the year old son of Mr. and Mrs. William Fouch, of New Berlin, was held at the home of the parents at 9:30 o'clock Thursday morning. Rev. Father Costello, pastor of St. Mary's church had charge of the services.

Interment was made in the New Berlin cemetery. The pall bearers were: Thomas Corrihan, Joseph Hanrahan, William Japson and Howard Sullivan.

MOVIE MACHINE OPERATORS HAVE NEW WAGE SCALE

Movie operators have been granted a substantial increase in wages by local picture theatre proprietors, according to a statement made yesterday by L. C. Brownlow, who is the business agent of the operators union No. 223 of Springfield. The old scale here was \$18 a week for a 9 hour day, with 50c an hour for overtime. Then new scale, which is retroactive to April 1, 1920, is \$20 a week for an 8 hour day with time and a half for overtime.

The agreement is to remain in effect until September 1, 1921. As indicated, the operators in Jacksonville belong to the union which has headquarters in Springfield.

SERVICE MEN TO TEND CHURCH SUNDAY

Urged by State Commander
Assemble for Church Serv-
ice May 2nd.

Go to church Sunday, May 2,"
this is the request sent out to
615 Illinois posts of the Amer-
Legion by State Commander
on J. Foreman and State
plain Rev. Frank D. Adams
Urban. The instructions
the legionnaires not only to
and church services themselves

that day, but to gather their
service friends and relatives to-
gether and attend. Many posts
will march their delegations in
bodies to local churches.

May 2 is American Legion Sun-
day in the pulpits of all denomina-
tions in the state. The highest
Illinois religious authorities are
co-operating with the veterans of
the war in bringing the church
and Legion together. Their pur-
poses are identical—the making
of good citizens through service.
American Legion Sunday will
mark the opening of the Illinois
campaign for membership in the
Legion. The thousands of minis-
ters of the state have been asked
by State Commander Foreman to
preach Americanization sermons
at all their services that day and
the ministers have promised their
hearty co-operation to properly
start the membership drive under
religious auspices.

Booklets outlining the high
ideals and purposes of the veter-
ans have been sent to all the
clergy and from these booklets
sermons have been prepared. The
sermons will stress the Legion's
Americanization program, serv-
ice to the wounded, disabled and de-

pendent, the organization's work
in vocational training for former
soldiers and sailors and the aid
given them in securing employ-
ment.

In his letter to the Illinois
clergymen asking their assistance
toward greater service to the
survivors of the war, Commander
Foreman said: "The Legion's
fundamental purposes is the de-
velopment of sound, aggressive
Americanism and citizenship in
its members and all other citizens.
So long as the spirit of true citi-
zenship remains alive throughout
the country, its citizens as a
whole will secure honest, capable
service from their public officials
and sound provisions in legisla-
tion. Therefore the Legion's
task is confined to the develop-
ment and maintenance of this
universal Americanism and good
citizenship."

"Constant, nation-wide educa-
tion of all citizens in Americanism
and good citizenship," continued
Commander Foreman, "is the
foundation of success in pro-
moting these purposes. The Leg-
ion must work constantly in co-
operation with all loyal Ameri-
cans and especially with and thru
the press, schools and churches,
to inculcate love of country and
to spread understanding of our
institutions and the responsibil-
ities of citizenship among all who
are or who would be citizens."
"Just as the Legion must work
for good, so must it work against
evil. Its program calls for de-
termined effort to eliminate cor-
ruption and faithlessness to duty
in public office, to stop attempts
to break down our fundamental
democracy or to limit or deny
the proper human rights of any
man or group."

The growth of the American
Legion in Illinois has been phe-
nomenal. The state leads in
membership gains proportionate
to resident ex-service men and is
second to New York in paid up
members. Through the assistance
of the church and other social
agencies, it hopes to maintain its
enviable lead.

EMORY L. GALLUP IN ARTISTIC RECITAL

Gave American Guild of Organ-
ists Program at Woman's Col-
lege—Program Varied, One
and Given in Brilliant Manner.

In spite of many counter at-
tractions, a good-sized and most
appreciative audience gathered
in Music Hall on Thursday even-
ing to listen to the program
presented by Mr. Emory L. Gallup of
St. Christinus Church in Chi-
cago.

Mr. Gallup is one of ten organ-
ists of the great musical center
from which he comes and he cer-
tainly does his city and his pro-
fession great credit.

The program was selected from
the old school of organ compos-
ers and from those of modern
and ultra-modern schools. In
each Mr. Gallup showed his un-
derstanding of the task set for
him and in every instance pleased.
His playing of the D Major
Fugue by Bach showed him to
best advantage for it was here
that his rhythms, pleasing, clear
cut finger passages and brilliant
pedal technique culminated.

At the close of the program
he added "Chorale" by Jongsen.
Mr. Cotsworth, who has been here
once before in connection with
the programs of the American
Guild of Organists made a short
address stating briefly the aims
and the general organization of
the Guild. Incidentally he point-
ed out to us the beauties of our

WILL FILED

The will of Mrs. Eleanor McIn-
tyre has been filed in the office
of County Clerk Riggs. Provision
is made for payment of debts and
certain jewelry and personal
property is bequeathed to S. O.
Cromwell, a son of the deceased.
A minor bequest was made to
Mrs. Hilda Reeve Jordan, of
Litchfield, and directions were
given for the division of the re-
mainder of the property among
the grandchildren of the de-
ceased. One-sixth each is to be
given to Lloyd Cromwell, Hattie
Cromwell and Oliver Cromwell,
and one-fourth each to Warren C.
Reeve and Everett Reeve. The
will was drawn May 12, 1915,
with Elizabeth Dunavan and A.
W. Cox as witnesses, and J. Al-
berton Palmer is named as exe-
cutor.

APPEAL CASES

Two appeal cases against the
C. B. and Q. have been filed in
the circuit court for hearing at
the May term. James Crum is
the complainant in one suit and
George Reese in the other, both
complainants being represented
by J. O. Priest.

Thos. Harry Roman Co. has
brought suit against Henry S.
Greenstone, claiming a payment
due of approximately \$300. Bel-
latti, Bellatti & Moriarty rep-
resent the complainant.

IMPRESSIVE CEREMONIALS

Recently, at Hebron church,
an interesting ceremonial was
held, when the service flag was
removed from the wall. Miss
Lorraine Eweese of the conserva-
tory, gave two songs and an ex-
cellent address was made by Hugh
P. Green. The flag was taken
from the wall by Grover Lewis
and Harold Stewart, who were in
the army and in the overseas ser-
vice. Altogether it was a very
impressive ceremonial.

GEN. GRIERSON'S NAME TO BE PERPETUATED

Memorial Tablet Provided For by
His Son in Gov. Joseph Dun-
can Memorial Home.

Recently Mrs. Miller Weir
wrote to Harry Grierson in Texas
telling him of the establishment
of the Gov. Joseph Duncan
memorial home. The suggestion
was made that a memorial tablet
be included for his father
General Benjamin H. Grierson,
and yesterday Mrs. Weir received
from Grierson a letter in reply
together with a check for \$100,
asking that such a tablet be
erected. It is fitting, indeed,
that the life and services of Gen.
Grierson should thus be com-
memorated.

General B. H. Grierson was a
distinguished military commander
and one of the outstanding heroes
of the Civil War. His successful
and daring raid thru Tennessee
and Mississippi made him famous
at the time and ever afterwards.
He was commended by General
Grant in a special order and upon
recommendation of President
Lincoln he was promoted to brig-
adier general of volunteers "for
gallant and distinguished ser-
vice."

General Grierson commanded
1,700 men in this raid. He started
from La Grange, Tenn., April
17, 1863, and entered Baton
Rouge, La., 16 days later, having
ridden 600 miles. He destroyed
60 miles of railroad and telegraph
lines, several locomotives, 100
cars, took 3,000 stands of arms,
1,000 horses and mules and 500
prisoners.

General Grierson's entire loss
amounted to one officer, one non-
commissioned officer, and three
privates wounded, five left sick on
the march and nine missing. This
raid is one of the most famous
cavalry raids in all history and
has been the subject of comment
and study by military men ever
since its occurrence. It was a
piece of military strategy, dar-
ingly conceived and brilliantly ex-
ecuted.

Benjamin H. Grierson was born
at Pittsburgh, Pa., July 8, 1826.
The family moved to Youngstown,
O., later, and in 1851 to Jack-
sonville. He possessed musical
talent of a high order and in Ohio
conducted a noted band and or-
chestra. In the early fifties Grier-
son's orchestra of Jacksonville
was a well known musical organi-
zation. He spent five years in
the mercantile and grain busi-
ness in Mercedia, where he was
living at the outbreak of the Civil
War. He enlisted upon the first
call for troops, joining the army
at Cairo, and served three months
without pay on the staff of Gen-
eral B. M. Prentiss. He was pro-
moted from time to time, and had
reached the rank of colonel at
the time of his famous raid. Gen-
eral Grierson was mustered out
of service April 30, 1866, but
upon the reorganization of the
regular army, soon after, he was
appointed colonel of the Tenth
Regiment of Cavalry and subse-
quently received brevets of brig-
adier and major general of the
United States Army. He retired
from active service July 8, 1890,
and thereafter made his home in
Jacksonville and Ft. Davis, Tex.,
where he operated a large ranch.

General Grierson was married
September 24, 1854, to Miss Alice
Kirk, of Youngstown, O., and to
this union four children were
born—Charles H. Grierson, Rob-
ert R. Benjamin H., Jr., and
George M. On July 27, 1897,
General Grierson was married a
second time, to Mrs. Lillian At-
wood King, of Jacksonville.

General Grierson died in Ome-
na, Mich., where he was accus-
tomed to spend his summers, and
where he had a beautiful summer
home overlooking Traverse Bay.
His body was brought to Jacksonville
and interment took place in the
East cemetery.

One of the important purposes
in establishing the Gov. Joseph
Duncan memorial home on the
part of the Rev. James Caldwell
Chapter of the Daughters of the
American Revolution, was to give
added emphasis to the lives of
former citizens known to have
fame and distinction for them-
selves and their locality, and to
encourage the keeping of their
deeds in lasting remembrance for
future generations.

LITERBERRY BAPTISTS DAISE QUOTA IN A DAY

Secure \$6,000 in One Day Drive
—Members Feel Proud of Ac-
complishment.

Members of Literberry Baptist
church made their drive in the
terchurch world movement re-
cently. The quota of the church
was \$6,000 and the entire amount
was raised in one day.

The church has a membership
of approximately fifty. When this
is taken into consideration the
record is a splendid one. The
members had the able assistance
of residents of the community
who are not members of the
church and who did splendid
work. They have reason to feel
proud of their accomplishment.

J. W. MOLOHON DIED AT SPRINGFIELD HOSPITAL

John W. Molohon of Pawnee,
died at St. John's hospital in
Springfield Wednesday night.
The deceased, who was sixty-five years
of age, had not been ill long and
until a few hours before his
death his condition had not been
accounted as serious.

The deceased had been living
near Pawnee for a number of
years and was one of the well
known farmers of that com-
munity. He is survived by his
wife and four children, together
with his brother, H. A. Molohon,

Best—In the Judgment of Two Million
Housewives

Two million American housewives have agreed that
the Hoosier Kitchen Cabinet is the most satisfactory
—otherwise, they would obviously have bought some
other kind.

It is founded on what the housewife KNOWS—not
on what theorists think. We have given every con-
structive suggestion careful study—accepted the
proved IMPROVEMENTS—rejected all the rest.
The Hoosier's patented flour sifter, which also fluffs
the flour, illustrates what we mean by a PROVED im-
provement.

Every day the need of a Hoosier IN YOUR KITCH-
EN becomes mores and more apparent. And that
need is sharpened by the present scarcity of GOOD
kitchen cabinets.

THE BRONZE NAME TABLETS ARRIVE

Yesterday evening while Mr. Archer was busily occupied with matters about the monument in Central park he was surprised to hear that the bronze name plates had arrived but they were here and soon a team had them in the park and they were soon exposed to view. Several Civil War veterans were there and all eagerly waited for the boxes to be opened which was soon done and the plates brought to view. The work is very satisfactory—each name standing out in bold relief more than half an inch long and some 3000 of them. If the name of any veteran deserving a place there has been omitted it is not the fault of the monument association for every possible precaution was taken to omit none and all effort was made to secure every one.

Mr. Archer and his men will at

once proceed to put the plates in position as they may be seen by any one. It is a pleasure to work with such a man as Mr. Archer. He is a thoroughgoing architect and builder; fully understands his business, handles his men like a general and is courteous to everyone. Many who have met him will regret his departure from the city.

ANDREW RUSSEL MAY SEEK GOVERNORSHIP

Jacksonville Man Picked by Deenen and Brundage Forces as Logical Down State Candidate—No Statement From Mr. Russell.

A half column in yesterday's Chicago Tribune stated that State Auditor Andrew Russell of this city, is looked upon as a possible and formidable candidate for the governorship of Illinois. The Chicago paper suggested that some strong down-state man is to be agreed upon as candidate to oppose whoever is the approved candidate of Mayor Thompson and his Chicago machine.

It is indicated in the article that the Deenen-Brundage factions of the Republican party in Chicago have recently come to an agreement, and that they are ready to give their support to Mr. Russell.

For months past, Mr. Russell has been accounted as one of the possibilities among candidates, but it is understood that at no time has he given a definite statement of his intentions, although there has been the intimation that he would probably not be a candidate. It is common political knowledge that at the time Governor Lowden became a candidate for presidential nomination that there was a gentleman's agreement among state officers to join heartily in support of the Lowden presidential boom and to wait until after the national conference before taking up state politics in an active way.

Various state office holders have been mentioned as possible candidates for the governorship, including, beside Mr. Russell, State Treasurer Fred E. Sterling, Attorney General Brundage and Secretary L. L. Emmerson. Mr. Russell is in Pinchurst, N. C., attending a meeting of the National Bankers' association, and could not be reached yesterday for a statement in connection with the Tribune article.

The Chicago paper's story carried under the headline, "Mayor's Poes Backing Russell for Governor," reads as follows:

Andrew Russell, of Jacksonville, state auditor and former state treasurer, has stepped to the front as a potential candidate for the Republican nomination for governor. Plans are in the making that are likely to cause him to make his definite announcement not later than the state convention at Springfield May 10. The situation is such that the new Deenen-Brundage alliance in Chicago easily can support Mr. Russell.

As things stand, according to substantial information last night, Mr. Russell will be a gubernatorial candidate if the Deenen-Brundage forces are for him.

Plan Opposition State It is now understood that there is to be a complete state slate made for the September primaries that will be opposed to any slate that may be put together by the party hall organization, working with certain downstate Republican elements. This will be headed by a candidate for United States senator and a candidate for governor, and will include candidates for all of the state offices, including the two places for congressmen-at-large, and will be followed by a complete county ticket in Cook county.

Will Hold Conference No candidate on the state slate will be picked until a conference is held, state-wide in character, at some date following the approaching state convention, and undoubtedly not until after national convention is over. All of the energies of the elements that are to be combined into the arrangement, as planned, will be devoted, meanwhile, to the nomination of Governor Lowden for the presidency.

Former Governor Deenen figures as a possible candidate for United States senator, but is not represented at this time, as an active contender. Attorney General Brundage, it is understood, will not be a candidate for governor, but does intend to be a candidate for renomination for his present position.

Elections Are United Reports from the conferences of the Deenen and Brundage amalgamation have it that a firm foundation of procedure has been established between the two recently fighting factions and that terms of readjustment locally have been reached in all except two or three wards. The indications are that the county slate that is proposed to put in the primaries against the city hall ticket will be agreed to within the next three weeks. Democratic county organization leaders will start on their county slate making next Monday.

BANK ROBBER SUSPECT HELD TO GRAND JURY

George Munroe Held in Sum of \$2,000 Before Justice Opperman—State Introduces Many Witnesses.

George Munroe, alias George Gerhardt suspected of attempting to rob the Alexander State bank last Saturday morning was bound over in bond in the sum of \$2,000 in Justice Opperman's court Thursday to await the action of the grand jury.

Munroe was captured by Deputy Sheriff Kimber near Waverly Saturday morning as he was hurrying along the Burlington right of way. He was brought to Jacksonville and placed in the county jail.

The state through States Attorney Carl E. Robinson wove a strong web of circumstantial evidence about Munroe. A number of witnesses were examined.

Fred Neal, cashier of the Alexander bank told of seeing several strangers pass back and forth before the bank Friday. He identified Munroe as one of the men.

Deputy Sheriff Kimber told of Munroe's capture and the story told by the prisoner that he knew nothing of the robbery and slept in a barn at Franklin the night before.

Sheriff Weatherford told of searching Munroe at the jail and finding additional money on him. He had told Kimber that he had about \$18 and the later search revealed two \$20 bills in the pocket of his shirt. The sheriff also told of measuring the footprints near the abandoned automobile with the shoes of the prisoner and finding them identical.

Other witnesses were Deputy Sheriff George Woods, of Franklin, W. C. Hart, marshal at Franklin and Grant Tannehill, George Tribble, Charles Watt and John Bland.

Munroe was represented by J. Marshall Miller. He was unable to furnish bond fixed by the court and was returned to jail to await the action of the grand jury at the May term of court.

STUDENTS HEARD IN EXPRESSION RECITAL

Students of Expression of Illinois College, under the direction of Mrs. E. P. Thompson gave a program last evening at Academy Hall, which was thoroughly enjoyed by an appreciative audience. Miss Rankin's impersonations were excellent, both of the petulant maiden seeking for a heart in "Love's Shop in Arcadia Way" and the little "Minty Malvina," who tries to transform herself into a white child. Miss Grace Marshall's interpretations of the verses of Field, Riley and Stevenson were given with pleasing simplicity and sincerity.

In the Marjorie Benton Cook monologue, Miss Eula Priest brought out to perfection the selfishness of the traveler who disregards the rights of others and her pantomime was noticeably well done.

Miss Lucille Bennett gave "Her Letters," a monologue by Alice Brown, with artistic finish the portrayal of the varying emotions in this difficult selection was well done. Miss Bennett, who has studied with Mrs. Thompson three years, expects to take up professional work next year and a bright future is predicted for her.

In the amusing comedietta, which closed this excellent program, Miss Bennett took the part of the poetess and Miss Priest, the musician, and the audience was highly entertained with the ludicrous quarrel between these fast friends, which was brought about by their jealous husbands.

PAVING WORK BEGINS ON EAST STATE STREET

Car Company to Put Down Brick Between Rails—Will Urge Contractor Bretz to Push His Paving Work.

Here indeed are glad tidings of great joy. The work of paving between the rails of the Jacksonville Railway Co. has begun on East State street. The concrete foundation was laid months ago and the brick have been here for paving work but it was determined it would be the best plan to postpone this paving work until spring months. Yesterday Supt. Gray had men at work laying brick. The work was begun at the east end and a force of men will be used sufficient to complete the paving work in the course of a week or ten days. The company will pave between the rails and for the usual distance on the outside of the rails.

John E. Bretz, who has the contract for paving East State street, with tarvia, has all along maintained that he would push ahead with his part of the contract as soon as the street railway company had its part of the work done. He is being notified by the city council that the street car company's part of the work will soon be done. Mayor Crabtree had a conversation with Mr. Bretz a few weeks ago and believes that the contractor will go ahead with his part of the work promptly. At any rate, this is the hope. Meanwhile the problem will be to keep the public from damaging the part of the pavement that the railway company puts down. As soon as the brick has been laid between the rails and adjacent to it, the natural course for traffic to take will be the center of the street. If heavily loaded wagons use the street car company's paving before it has been protected by having the tarvia laid at the sides, a large amount of damage is certain to be done.

It would be out of the question to put a curbing against the bricks to hold them in place. Therefore some way must be found to either have Mr. Bretz immediately lay the tarvia or else to use a sufficient number of traffic officers to keep teamsters and drivers of other vehicles from damaging the street car company's work. After the bricks have been laid by the company the pavement must be accepted by the city, if the work is properly done, as it no doubt will be. After acceptance by the city, the city must become responsible for any damage occasioned by traffic.

It is the hope that the city will be able to hold them in place. RECRUIT ENLISTS IN EARLY MORNING HOURS

The army will take a fellow in any time of the day or night. Recruiting goes on 24 hours a day. This was demonstrated Thursday morning when William O. Harp, of Winchester, routed Bob Choate, the recruiting officer, out of bed at 5 o'clock and demanded enlistment. Like a good soldier, Choate got up and accompanied the man to the recruiting office and examined him before daylight. At 8 o'clock Private Harp, C company, 54th Infantry, was traveling on his way to Camp Grant under army orders.

Harp is the son of Mrs. Noah Harp, Route 4, Winchester, Illinois. He was accompanied to Camp Grant by Charles O. Shawen, 345 Franklin street, who enlisted Wednesday.

Recruiting Officer Bob Choate stays at the Profit House and wants all prospective soldiers to know that he is on duty 24 hours a day. If you can't catch him at the office on East State street, hunt him up.

AULTMAN-TAYLOR

New Century Threshers

The Thresher That Sends All The Grain Into The Bag

MILLIONS of dollars are wasted in threshing each year in the form of grain which is fed into the separator but never reaches the bag—grain that works through to the stacker and is blown out with the straw. This is a necessary evil with the old type of thresher—but not with the Aultman-Taylor New Century.

The Aultman-Taylor New Century Thresher, equipped with the Universal Rotary Straw Rack device and Inclined Open Web, stop this loss. They thresh and save all the grain.

Universal Rotary Rack

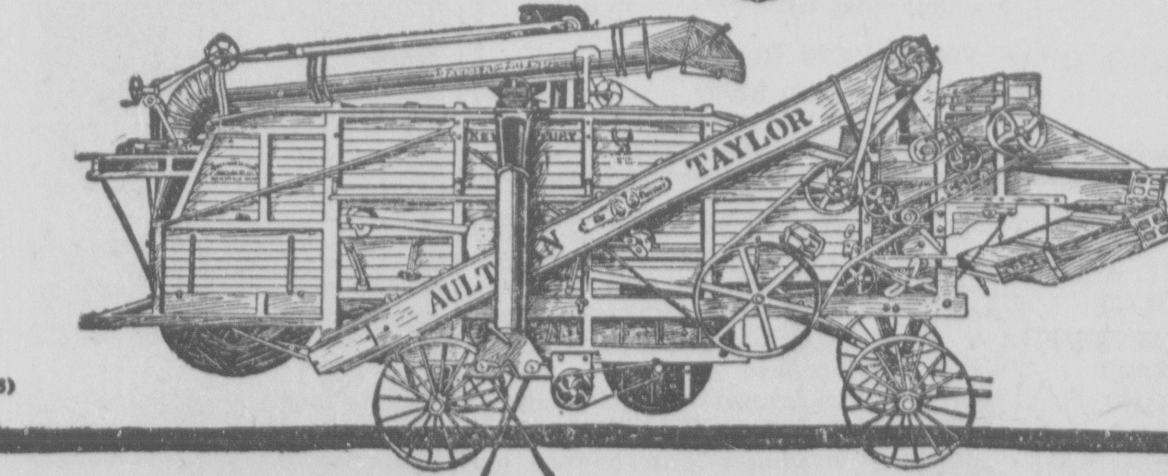

The Universal Rotary Rack positively gets all the grain out of the straw. Its rotary action gives it double the agitation of the vibrating rack, hence double separating capacity. It moves the straw rearward in a continuous thin stream, insuring perfect separation and greater capacity. And at the same time, it saves power and stops vibration.

Four Sizes—All Standard

Aultman-Taylor Threshers are made in four sizes, all absolutely standard in design and construction. The sole difference between the largest and smallest New Century Thresher is one of size only. Our two smaller threshers are the ideal size for individual use with the small tractor.

We will be glad to give you any further information along this line at any time. Come in and talk it over with us now.

Because Good Grain is Scarce

PARTIAL failure of the hard winter wheat crop, due to unfavorable weather conditions which prevented ripening, has made good grain very scarce this year.

Yet Valier's Enterprise Flour continues to be milled from only the highest grade wheat. Rather than lower its quality in the slightest degree, we prefer to pay the unusually high premium which such grain commands in the market.

Valier's Enterprise Flour

stands out pre-eminently in consequence. It can always be depended on to produce uniformly good baking, as wholesome as it is delicious.

If you have been troubled with seemingly unaccountable failures and generally unsatisfactory baking, try a sack of Valier's Enterprise Flour. The improvement will surprise you.

The initial cost of such flour is of course slightly higher, but the difference is repaid in the end by better, more reliable baking and

NATSKI MEDICINE COMPANY TAKES DRASTIC ACTION

To Reduce the High Cost of Living

The Officers and Directors of
the Natski Medicine Company,
manufacturers of Natski Blood
Purifier, have for sometime view-
ed with grave concern the mount-
ing costs of everything that en-
ters into the lives of our people,
not only for food, clothing, shoes,
but also for those medicines that
often are as necessary to the hap-
piness and well being of many
people, really often more nec-
essary, as it is essential that we
must be free from physical pain
and suffering in order to enjoy the
other necessities of life.

Realizing all this, the Natski
Medicine Company has, by improv-
ed methods of manufacturing
their Blood Purifier, been able to
come to the conclusion that the
cost and have agreed to further
benefit the public by cutting their
profit down to almost nothing.

Following out this idea, they
have decided to sell to the drug
trade in the future, Natski Blood
Purifier so that the users will be
able to purchase the same for
\$1.06 per bottle, plus 4c revenue
stamp.

REMEMBER, the quality of our
remedy will be kept up to its
usual high standard, and the
purchaser will not be buying an 8 oz.
bottle in a 16 oz. carton, but a
full 12 oz. bottle of our medicine
for the sum of \$1.00.

It is sold by your druggist, and
if he does not keep it send direct
to the Natski Medicine Co., who
are always ready to serve you.

If you need a Spring tonic for
the blood, if your appetite is gone,
if you have rheumatic pains or
any other blood diseases, get a
bottle of this wonderful remedy
without delay, and convince your-
self that what it has done for
others it will do for you.

Watch these columns and read
what people say this remedy has
done for them.

Moweaqua, Illinois

WAS A SURPRISE TO NEIGHBORHOOD

"They are Talking of My Recovery
All the Way to Bloomington,"
Says Mrs. Beal.

"My wonderful recovery has not
only been a grand surprise to my
husband and myself, but to all
our neighbors for miles around
where we live," said Mrs. Ida Beal
who resides at Normal, Illinois, on
R. F. D. No. 4.

"Why, the people all along the
way to Bloomington are talking
about the difference Tanlac has
made in me," she added, "and I
feel it my duty to tell everybody
about this grand medicine."

"For twelve years at least my
kidneys have bothered me and I
have suffered with almost un-
bearable pains in my back. But this
was not my only trouble by any
means, for at the time I got Tan-
lac I had not enjoyed a good meal
in ten years on account of a
chronic case of indigestion. There
was hardly a minute when I was
free from suffering and the pains
in my back were so severe at
times that I simply had to sit
down and shut my eyes and hold
my head. At times I was almost
dreadfully sick at my stomach and
my kidneys disturbed me so often
at night I could get any sound
sleep and my back hurt me so bad
in the mornings I could hardly
dress myself. It was all I could
do to get in and out of bed and
I couldn't stoop over and pick up
anything to save my life on ac-
count of the pains in my back. I
could not eat anything without
suffering so from bloating, palpi-
tation of the heart and shortness
of breath that I would almost
faint. I wasn't able to work but
an hour or two a day and that
would lay me up in bed with an
awful headache.

"This is just the condition I
was in when I began taking Tan-
lac, but I am simply feeling like
a different woman now. Tanlac
helped me right from the start
and in a few days after I began
taking it I felt so much better
that I was surprised and wonder-
ed if it would continue to help me
until I got well. I have taken
eight bottles now and as I said
everybody who knows me is talk-
ing about my recovery. My kid-
neys and back never bother me
now and my stomach is in the best
of condition. I am eating three
hearty meals a day and enjoy
them all and never feel a touch
of indigestion. I am enjoying
good health for the first time in
twelve years. Life is a pleasure
to me again and I feel so grateful
that I want to tell everybody
about Tanlac."

Tanlac is sold in Jacksonville
by Coover & Shreve and by the
leading drug store in every town.

Shoulder and sleeve all in one piece

IN the shoulders—right
where the worst strain
comes in a work coat—is
where Blue Buckle coats have
sure protection. They are the
only coats on the market with
free-swinging raglan sleeves.

That means the shoulder and
sleeve are the same piece in Blue
Buckle coats—no seams on the
shoulders to rip and give—no
binding under the arm pits.

You can always be sure of long

wear and comfort when you get
Blue Buckle coats and overalls.

The toughest, longest-wearing denim
—and lots of it—with big, broad, dou-
ble-stitched seams goes into every pair of
Blue Buckles. They don't rip. The
brass buttons and buckles don't come
off. Every pair is roomy and comfort-
able, with a solid back-band, reinforced,
convenient pockets, extra wide sus-
pender—and first-class workmanship.

That's why more Blue Buckles are
sold than any other brand of overalls.

Ask for Blue Buckles when you
buy overalls.

Inspect Your Wiring

If car owners would make a point of inspecting the wiring on their machines two or three times a year a lot of trouble would be avoided.

There is no such thing as tightening a connection so that you are sure it will stay. The constant jar and sway of a car will sometimes succeed in working loose a nut that has been jammed down so tight that it seemed to be there for keeps. This is particularly likely to happen if there is slack in the wire so that it whips back and forth.

It is quite common to find batteries that are under-charged for no other reason than neglect of the owner to keep connections tight between battery and generator.

Let us give this matter the "Once Over" for you. May save you quite an item of expense.

FINAL MONTHS COSTLY FOR RAILROADS

January and February Most Expensive in Net Operating Costs According to Railway Age Statistics.

That the last two months of government operation—January and February, 1920—were among the best months in point of volume of traffic handled and gross earnings made, and relatively the worst in point of net return earned, under government operation is shown by an editorial in the current issue of the Railway Age.

"Complete statistics regarding the freight handled, the total earnings made and the expenses incurred by the railways in January and February, 1920, the last two months of government operation, are now available," says the Railway Age. "The total business moved, because of conditions which, on the whole, were favorable, was much larger than it was in any preceding January and February in history. It is, therefore, worth while to compare the statistics of traffic, earnings and expenses for January and February, 1917, the last time when the railways were under private operation in these months and the corresponding figures for January and February, 1920, the last two months when the railways were under government operation."

The number of tons moved one mile in January and February, 1917, was 61,000,000,000. In the corresponding months of this year it was 67,470,000,000, an increase of 10½ per cent. Total earnings in January and Febru-

ary, 1917, were \$566,200,000. In the same months of this year they were \$837,800,000, an increase of 42½ per cent. In January and February, 1917, operating expenses were \$423,000,000, while in the same months this year they were \$829,000,000, an increase of 96 per cent.

"The increase in operating expenses was so much larger relatively than the increase in earnings as to cause a heavy decline in net earnings. There were also some increases in taxes. The results of all these influences are strikingly reflected in net operating income, which is the part of earnings left after paying expenses, taxes and so on. The net operating income of the railways in January and February, 1917, under private operation, was \$108,930,000. In January and February, 1920, which marked the termination of government operation, the net income was only \$1,100,000.

"The guaranteed standard return for January and February was \$104,600,000. The net operating income actually earned was less than 1 per cent of this amount, the government's deficit in the two months being over \$103,000,000. The guaranteed standard return for an entire year was \$905,000,000. It will therefore be seen that if government operation had continued thru 1920, and the net operating income earned had been relatively as small as it was in January and February, the deficit incurred would have been almost equal to the total guaranteed return."

"In spite of the coal strike, which began in November and ended in December, the gross earnings of the railways in the six months September to February, inclusive, were \$2,775,000,000, or almost \$165,000,000 more than they ever were before in any corresponding six months, and yet the net operating income was \$27,000,000, less than the amount required to pay the guaranteed standard return for that period. These statistics seem a complete vindication of the contention the Railway Age repeatedly made that as large an advance in rates would have been necessary under government operation to stop the incurring of a deficit as will be necessary under private operation to secure to the railway companies the net return provided for in the transportation act.

"Whether the increase in operating expenses under government operation was reasonable or not is beside the question. The fact is that an enormous increase of expenses did occur under government operation and that under either government or private operation it would have been impossible, without an advance of 25 or 50 per cent in rates, to make the railways self-supporting."

WOMEN AND FARM LIFE

By Gov. Frank O. Lowden.
I was raised on a farm. It was a pioneer farm. There were many hardships, but there were many compensations. The compensations, however, were in a larger measure for the men than the women of that time. During harvest time—those were the early days of the reaper—the men from the entire neighborhood joined and harvested first one crop and then another. Thus there was social intercourse added to their work. But heavy burdens came to the mother's work at the same time which she and her daughters must do alone. So at threshing time the hum of the threshing machine and the old picturesque capstan, with the horses traveling in an endless circle, gave threshing something of the quality of adventure. It was an interesting time to the men. Then, too, the men hauled the products of the farm to the market and there found social contact with their fellows. The women remained at home with the endless round of toil. As I look back upon my early days on the farm, I can see clearly that, all in all, the men and boys had a pretty good time. But I wonder how the mother was able to bear her many burdens.

"Of course, conditions have improved greatly, for both men and women. Labor-saving devices have multiplied both in the field and in the farm home. And yet I am wondering if the women of the farm do not still have more than their share of the labor of the farm. Therefore, if it's a question of whether the farmer should build a new barn which would lighten his work, or a new house, with labor-saving conveniences, which would lighten the work of his wife, the latter should come first. If the choice this year is between a new harvester or a new labor-saving range for the kitchen, the latter should be preferred.

"Electricity and the telephone and good roads can do much to break down the isolation of the farm, and from this the women suffer most. All of these things should be encouraged."

Three Drop Corn Killer

"Gets-It" Stops Pain Immediately
and Corns Go Quick.

The way to handle corns is the tried and proved "Gets-It" way. The way that millions have found quickest, easiest, safest and most reliable.

A few drops of "Gets-It" knocks the hurt out of any corn at once and soon loosens it so it lifts right off without any feeling. Oh, what comfort! How grand to walk and dance and jump without a single twinge! Why not?

"Gets-It" the never failing, guaranteed money-back corn remover, costs but a trifle at any drug store. Sold by R. Lawrence & Co., Chicago.

Sold in Jacksonville and Recommended as the World's Best Corn Remedy by Armstrong's Drug Stores.

Daily Market Report

HEAVY SELLING ON STOCK EXCHANGE

New York, April 29.—In its aspect today's stock market was a replica of yesterday's heavy selling of a professional character, with enforced liquidation dominating the movement. Stocks were most acutely depressed in the latter part of the session, following announcement in Congress restraining corporations from distributing surplus profits accumulated during the past six years. Western banks reported additional advances in discount rates and the call supply of time funds.

There were tentative rallies during the early intermediate and final hours, but each recovery was the signal for fresh bear attacks, a heavy tone prevailing at the close. The more severe losses embraced steel, equipment, autos, oils, leathers and sugar. Central Motor made a decline of 1 point, to 29½; Crucible Steel declined ½, to 11½; Republic 3½, to 33½; Reading, American Wool 3%, to 33½; Corn Products, 3%, to 33½; United States Steel 1½.

Foreign exchange was almost only stable feature of the day.

London rate continuing to weaken. Liberty 3½ made a new low at 92.70, and the general market was reactionary.

Moderate offerings. Total sales (par value) aggregated \$10,875,000.

CORN DISPLAYS MUCH WEAKNESS

Chicago, April 29.—Closing down of some Chicago grain elevators, together with disquiet regarding the final situation, led to weakness today in the corn market. Prices closed unsettled, ½ to 2½c net lower; May, \$1.72½ and July \$1.72 to \$1.63.

Oats finished at ½c decline to ¾c advance, and provisions varying from 75c off to 7c gain.

Notwithstanding that stoppage of work at various grain elevators was due to the railway switchmen's strike and had an evident tendency to render more difficult the filling of future delivery contracts, especially for the month of May, the effect in the corn market was in general to depress values. Bears contended that the railway traffic status here was shown to be distinctly less satisfactory and that other industries would be forced to quit.

Cautiousness of banks in making loans was also dwelt upon, as well as the heaviness of stock market quotations. Numerous rallies took place, but none of an impressive character or apparently associated with anything beyond transient pit conditions.

Oats were weak with corn, except that belated covering by unlicensed shorts hoisted the option market somewhat sharply.

Oats available for immediate use here commanded \$1.10 a bushel, the highest price on record.

Provisions averaged lower in the absence of much demand for meats.
